To receive public comments regarding a request by Keyvan Moslemi for a variance from the City of Forest Hill Code of Ordinances, Chapter 9 "Planning and Development Regulations," Article 9.02 "Zoning Ordinance," Division 7, "Schedule of Districts", § 9.02.161, "Adoption of Schedule". The schedule of districts representing the heights, yards, lot areas, dwelling size, and lot coverages, with all notations, references, and other information shown thereon, shall be as much a part of this article as any specific requirements or regulations as are fully set forth and described herein, and shall be as binding and carry the full force and effect of this article.

Minimum side yard 10', minimum rear yard 10', maximum lot coverage 60%.

Division 8, Developmental and Supplementary Regulations, § 9.02.183, Special Side Yard Regulations. Projections into side yard. A roof overhang, an open fire escape, an outside stairway, window sills, or other ornamental feature may not project more than three (3) feet into a required side yard; provided, however, that such projections shall not be closer than three (3) feet to a property line, for a parcel of land located at 5300 Mansfield Hwy, Forest Hill, Texas 76119, being more particularly described as Oak Crest Addition, Block 3, Lot 1A, in the City of Forest Hill, Tarrant County, Texas.
